

REAL ESTATE MARKET

The F. B. Cate Agency was never so well prepared to offer such bargains in Farms as at the present time. Below is a list of a few of our best ones.

This one has about 150 acres and is only 14 miles from this city. The farm will cut between 80 and 90 tons of hay this season, can be put into the barns with little expense. There is a nice sugar place equipped with 700 tin tubs and every thing of the best for making nice sugar. The buildings are of the latest city improvements, such as hard wood finish, fire place, bath room, hot water connections, telephone, etc. The main part of the house is brick. The barns are large and convenient. The buildings could not be erected at the present time for nearly the price asked for the farm which is \$40,500. You have to take this quick if you want this year's hay crop.

This farm has recently been placed with us for sale. 300 acres right in the heart of a thriving village on the shore of a large body of water where there are a large number of summer cottages. Depot is just across the road from the buildings. The farm will summer and winter about 100 cows and teams to carry on the place. There is one large barn built about 5 years ago at a cost of \$3,200; there are other barns in good repair, also a nice new house. There has been \$10,000 paid out on buildings and improving the farm. The owner is in very poor health and unable to care for so large a place and must sell. Price for a quick sale is only \$7,500, part cash.

Two farms in Bradford, Vt., 2 miles from the village. One contains 130 acres and cuts 80 tons of hay, with good buildings, barn 100 feet in length. The other farm contains 85 acres and will cut 40 tons of hay, large barn and fair house. Will sell separate or will trade for good renting property in city.

We have cheaper farms well located, some we will trade for other property. Please call at our office for a more definite description of the above farms and others.

We have a Granite Plant for a gang of men that we would like to tell you about. Our office is open evenings. Telephone connection.

A SLEEPLESS WONDER.

Doctors Amazed at Herpin, Who Has Kept Awake Ten Years.

Albert E. Herpin, the sleepless wonder of Trenton, N. J., is still awake and, according to his own statement, expects to stay awake the rest of his life, says the New York World.

Dr. C. H. Waters of Trenton says Herpin has taken enough drugs in the hope of bringing on sleep to kill an ordinary man many times. He says there is not another case like this. Herpin is never ill, never drowsy, eats heartily and weighs 180 pounds.

Physicians have doubted that he has not slept for ten years, and tests have been made to see if he remained awake. One of these was made recently in Philadelphia at the office of Dr. J. D. V. Pollock. Dr. Pollock gives the following account of it:

"When Herpin first came to me for treatment I did not believe his story. To satisfy myself I proposed a week's test. One doctor watched him by day, and I watched him at night. Nothing resulted from this test. He never slept. His pulse kept normal. He lost nothing in weight and was never nervous. I wanted to give his case to the public at that time, but he would not consent. He has withdrawn his objections now, consequently this statement."

They Tattoo in Punic Symbols.

During a stay in Tunisia M. Vercoeur discovered that the tattoo marks on the faces and limbs of the natives, representing a human figure, are really an imitation of the mannikin found on the monuments of Phoenicia and Carthage, which archaeologists call the "symbol of the Punic trinity."

Milo the Athlete.

Milo, the famous athlete of ancient Greece, was victor at both the Olympic and Pythian games for six different times in succession. His chief champion to fame rests upon the feat of running four miles with a three-year-old ox upon his shoulders.
